**Jr. Frontend Developer** 1 Feb - 1 Sep 2023

Manami Solutions - Ahmedabad,Gujarat

We're seeking a Junior Frontend Developer experienced in React, Node.js, JavaScript, and Bootstrap. Collaborate with our team to craft appealing web interfaces, leveraging your skills in frontend development to enhance user experiences.

### PROJECTS

#### iCoder

This project was created using Bootstrap to ensure a responsive and visually appealing design.

#### TextUtils

"TextUtils" project ingeniously merges Bootstrap and React, producing a dynamic user interface that offers heightened responsiveness for text-related tasks.

#### NewsApp

The "News App" project expertly fuses Bootstrap, React, HTML, CSS, and JavaScript to create an immersive and feature-rich web application that keeps users informed and engaged.

#### contactApp

A sleek contact app using React.js, JavaScript, HTML/CSS, and Bootstrap. Manage, edit, and locate contacts with ease. Securely store details, notes, and profile pictures. User-friendly for efficient contact management.
